VINTAGES BLEND IV

Viña Carmen, Chile's first winery, has a 170-year history, and it stays relevant by constantly seeking out innovations: incorporating new varieties and new valleys are the core ingredients of our day-to-day passion for winemaking. So, if reinvention is our core value, **why not reinvent the traditional blend?**

That is how Carmen Vintages Blend began, as an innovation to combine the best vintages of Carmen Cabs from Maipo in a single wine. This exclusive blend is the result of a careful selection that merges the best expressions from our latest vintages.

HARVEST AND PRODUCTION

The grapes were hand picked from our estate vineyards, located over the best alluvial terraces in Alto Maipo by the Andes Mountains. Extremely concentrated grapes are the result of old vineyards yielding around 8 ton/ha.

Alcoholic fermentation was carried out in stainless steel tanks at 28° - 29° C. The total maceration period was of 20- 25 days. The total blend was aged in French oak barrels where malolactic fermentation occurred naturally.

The blend is composed by four different vintages providing great complexity.

WINEMAKER'S COMMENTS

Our Vintages Blend IV reflects Alto Jahuel Cabernet Sauvignon through a powerful and structured wine. It has a deep and intense violet color. The nose presents aromas of blackcurrants, blackberries and liquorice. The palate is very rich and generous, sustained by firm tannins that give it structure and depth.

AGEING POTENTIAL

8-10 years.
